

Lenovo ThinkSystem DE Series 1st Unit Partner Promotion

UP TO
70%
OFF

As a Courtesy to Our Valued Channel Partners

Lenovo is offering 70% off on 1 fully configured ThinkSystem DE Series All-Flash Array. The DE All-Flash Series delivers the performance of more than 2,000 15k rpm HDDs, yet requires only 2% of the rack space, power, and cooling. Because it consumes 98% less space and power, DE Series can significantly improve the overall efficiency of IT operations while continuing to meet performance requirements.

Promotion Details and Qualifications: 70% off pricing for 1 fully configured DE; Only 1 system per end user; Partner can use promo for all their customers; Customer is defined as Lenovo customer id; Pricing for options also at 70% off; BTO offering only.

Offer ends 9/30/19

Drive outstanding performance
